This small Resort (14 rooms and suites) has open since just few years ago. It is located 6 km from Locorotondo, in the countryside, surrounded by expanses of centuries-old olive trees, small vine plots bordered by the typical drystone walls. The Cummerse (typical two-storey buildings of Locorotondo, covered with a very sloping roof) overlook the swimming pool and the beautiful garden from the top of a stone staircase, creating a magical landscape. The very good standard restaurant offers a particularly refined cuisine.
